Bug # 9625

Scan running normally:

```
Directory Scan (1448 of 13760) Running 00:02:40

F:\QNAP NAS Update\Popular\Bruce Springsteen\Studio Brucelegs\1994 - Early Years\Disc 2\05. Bruce Springsteen - Evacuation

The West.flac
```

Music selected from remote. Corruption of status display occurs:

```
Directory Scan (3837 of 10) Complete 00:00:06
F:\QNAP NAS Update\PopularJoe Grushecky & The Houserockers\1998 - Coming Home\04. Joe Grushecky and The Houserockers -
Feeling Better Now.flac
```

When directory scan is complete, playing further music from remote causes yet more corruption:

```
Playlist Scan Complete 00:00:00
Merge Various Artists (468 of 468) Complete 00:00:25
Artwork Scan (108 of 650) Running 00:01:30
Directory Scan (16 of 16) Complete 00:00:01
```
